SCOPE OF POLICY
This Special Events Policy of the City of Baton Rouge and the Downtown Development District *(DDD) will serve as the framework for regulation and approval of all special events held in North Boulevard Town Square *(NBTS) and/or Galvez Plaza & Event Stage.

EVENT PLAN
Each applicant must submit an event plan and application including full event description before being added to the DDD calendar. This includes, but is not limited to, size and placement of all signage, event purpose, expected attendance, hours of operation, list of vendors and type of products, staffing plan, layout, and site plan. Tent size and placement must be approved. All items MUST be submitted to Downtown Development District at least 45 days prior to event date.

GUIDELINES

Utilities
North Boulevard Town Square and Galvez Plaza has a number of dedicated electrical circuits available to provide electricity for an Event. *(See amenities map for outlet locations). Depending on your electrical needs, an electrician with the City of Baton Rouge may be required to be on site for the duration of your event as determined by the DDD. The hourly fee for this service is determined by the City of Baton Rouge and will be provided upon request. The cost of the electrician will be at the Applicant's expense. All usage and placement of generators must be approved by the DDD prior to the event.

Vendors
All vendors and tent locations must be diagramed on the event plan before approval. Vendors are allowed to use tents in approved locations within the site. There will be no tents on the lawn areas unless approved otherwise. Food vendors are responsible for the area within each tent. For sidewalk protection, all vendors serving food must use plastic beneath serving tables and metal sheets under grills. Drilling into pavers is never allowed to secure tents.

Sound Amplification & Stage Usage
All events must discontinue the use of amplified sound equipment after 10:00PM and end by 11:00PM. Sound amplification must not adversely impact the quality of life of surrounding areas. Sound levels may be controlled by the DDD and the City of Baton Rouge. Sound board or mixing table placement has to be approved prior to event. If tents are involved, they cannot be placed in the center of lawns so as not to obstruct spectator views. This equipment can be placed directly adjacent to the stage or designated areas within North Boulevard Town Square. There is ample power and sound connections at each of the stages and transit shelter.

Signage
All signage for the Event must be approved by the DDD. No banners, signs or other event advertisements may be hung from trees, buildings, fencing or public art pieces. Nothing is allowed to be affixed to any piece of public art including the Transit Shelter and beacon. Each Applicant must provide details and include size and placement of all signage within the submitted event plan.

Sponsorship Recognition
The North Boulevard Town Square Media Beacon can be used to promote sponsors and/or event information. The beacon features 8 LED screens ranging in size, including 4 hi-res and 4 low-res. All videos or slides must follow the size specifications (see Media Beacon Spec Sheet) and be delivered at least a week prior to event. Full resolution logos can also be submitted into an appropriate template by the DDD.

Vehicles
No vehicles are allowed on NBTS or Galvez Plaza grounds except on designated access and unloading/loading points.
Clean-Up and Park Damage
Each Applicant wishing to hold a special event in NBTS or Galvez Plaza & Event Stage is responsible to see that no damage or harm comes to the landscaping, fixtures, public art or any other features of the property. Nothing is allowed to be affixed to any sculpture or piece of art including the Transit Shelter and Beacon. The DDD requires that each Applicant will return the Property in the exact condition under which the Applicant found the Property prior to Event set-up. All trash, signage, equipment, other debris, or any other physical evidence that a special event took place MUST be removed from NBTS or Galvez Plaza & Event Stage immediately following the Event.

PERMITS AND LIABILITY

Street Closure Requirements
Depending on the number of attendees some events may be required to obtain a street closure. The police department or Traffic Engineering has the discretion to have any event obtain a street closure if they see fit. Instances that require a street closure include:
