**SCOPE OF POLICY**

This Special Events Policy of the City of Baton Rouge and the Downtown Development District *(DDD)* will serve as the framework for regulation and approval of all special events held in Riverfront Dock, Levee Steps, Levee Green and/or Levee Stage (Riverfront Area).

**EVENT PLAN**

Each applicant must submit an event plan and application including full event description before being added to the DDD calendar. This includes, but is not limited to, size and placement of all signage, event purpose, expected attendance, hours of operation, list of vendors and type of products, staffing plan, layout, and site plan. Tent size and placement must be approved. All items MUST be submitted to Downtown Development District at least 45 days prior to event date.

**GUIDELINES**

**Utilities**

The Levee Stage, Red Stick Landing, and Riverfront Dock as on site power for light usage. Depending on your electrical needs and location, an electrician with the City of Baton Rouge may be required to be on site for the duration of your event as determined by the DDD. The Public Works Department has a Special Event Request Form for events. The Public Works Department will determine the services (Electrical, Fuel, Trash Crew, Etc.) required upon review of the form. All usage and placement of generators must be approved by the DDD prior to the event.

**Vendors**

All vendors and tent locations must be diagramed on the event plan before approval. Vendors are allowed to use tents in approved locations within the site. There will be no tents on the lawn areas unless approved otherwise. Food vendors are responsible for the area within each tent. For sidewalk protection, all vendors serving food must use plastic beneath serving tables and metal sheets under grills. Drilling into pavers is never allowed to secure tents.

**Sound Amplification & Stage Usage**

All events must discontinue the use of amplified sound equipment after 11:00PM and end by 12:00PM. Sound amplification must not adversely impact the quality of life of surrounding areas. Sound levels may be controlled by the DDD and the City of Baton Rouge. There are three performance areas "stages" that are available.

**Public Works Special Event Request Form (see separate documents)**
Clean-Up and Park Damage
Each Applicant wishing to hold a special event in the Downtown Riverfront is responsible to see that no damage or harm comes to the landscaping, fixtures, public art or any other features of the property. The DDD requires that each Applicant will return the Property in the exact condition under which the Applicant found the Property prior to Event set-up. All trash, signage, equipment, other debris, or any other physical evidence that a special event took place MUST be removed from the Riverfront immediately following the Event.
