

PROCESS TO OBTAIN A COMMERCIAL PERMIT

The flow chart below illustrates the process of obtaining a Commercial Building Permit through the DPW Permit and Inspection Division. This illustrated process does not cover all requirements for every development. We recommend visiting the EBR Planning Commission Resource Center as a starting point after reviewing the Site Plan Review section in this booklet. Exterior improvements such as signage are subject to the Downtown Arts and Entertainment District Guidelines found at downtownbatonrouge.org and at the EBR Planning Commission offices.
